

# Alpha Sigma Alpha Application to attend the Capital Fraternal Caucus Congressional Campaign and Reception

***Congressional Fraternal Caucus Annual Congressional Campaign and Reception***

Every April in Washington, D.C. members of fraternal organizations meet to lobby Congress members regarding legislation that affects Greek organizations. Participants receive a full day of training on the topics and how to interact with the members of Congress.

This year, ΑΣΑ is funding one collegiate member to participate. This member must be available the entire event in April and must attend all events. This woman will be a representative of Alpha Sigma Alpha and will conduct herself appropriately. This is a wonderful opportunity for members interested in government relations. Applications are now being accepted and are due by January 15, 2008. All collegiate initiated members of Alpha Sigma Alpha are eligible to apply.
